Barbara Manaker Music Studios

Welcome to our studio! The staff and I are looking forward to a great year of making music together!

To find all of the forms needed to register for this year's lessons, please go to our studio website (**barbaramanakermusicstudio.duetpartner.com**) and click on the resource tab. You will find the Studio Policies, Student Information and Contract. I have also attached them, along with this letter, for your convenience.

Here are some important things to know!

- This year's monthly fee will be $155/month with a non-refundable $150 registration fee **(Due no later than August 8th)**. Payments are required through **STRIPE. Automatic payments are STRONGLY SUGGESTED!**
- Student information and contract forms are **due August 8th.**
- **Fall lessons start the week of September 15th, after Labor Day.**
- Please use the studio website to check studio calendar and lesson schedule, and to cancel lessons if needed.
- Due to the volume of students and teachers in the studio, along with the various schedules to coordinate, **make-up lessons will not be granted** unless canceled due to weather or extreme circumstances.
- See attached Studio Policies for more information.

If you have any questions, please reach out to me.
